LOAD TAMER™

**Tame your
Load Before
it Hits the
Road!!!**

- LoadTamer™ Cargo Nets provide worry-free hauling of all cargo for consumer, commercial and public sector applications.
- They are designed to handle all shapes and sizes of loads. Typical items include automotive parts, household goods, furniture and appliances, landscaping supplies, trash, debris, building materials, fishing, hunting and camping gear, etc...
- LoadTamer™ Cargo Nets fit all sizes of Pick Up trucks, utility trailers, stake trucks, ATV's, UTV's, RV's, boats, canoes, roof racks, etc., etc. Custom sizes are no problem and available on request. They attach quickly and easily with accompanying hardware, and work in conjunction with tarps to stop the parachuting effect.
- LoadTamer™ Cargo Nets have been tested and approved by all branches of the U.S. Military and have been in widespread global use for over 19 years.
